MAGAZINE COMMITTEE

EDITORS: Peter Fauser and Betty Hendriksen
SUB-EDITORS: 4A
PHOTOGRAPHS: Mr. B. Weir and Mr. K. Else
TYPING: L. Hueppauff, M. Dumbris, T. Holly, T. O'Neill.

EDITORIAL

After a hectic rush, the magazine committee has completed the production of a magazine that is obviously "different" from those of past years. The difference lies not only in the appearance, but in the way this magazine was produced. We did not just gather all the material and send it to the press as has been done in previous years, but instead we printed our own magazine at the school.

The reason for the change in the method of producing "Kartanup" this year is, that because of financial difficulties in past years the school funds have been used to pay for a major part of the costs. This year, by producing the magazine ourselves, the expenses have been covered by its sales.

After numerous experiments with photographs and cartoons, we finally found a reliable method of reproduction. The photographs have been printed by the school's photocopying machine which was purchased by the Parents and Citizens' Association early this year.

We wish to extend our thanks to all the teachers for their assistance and also to the girls of 4C. Special thanks go to Mr. Segal, without whose guidance the committee would have been in serious difficulties. The committee would also like to thank all students who have made contributions to the magazine in the form of articles, cartoons and class notes.

The editors and committee extend their best wishes to all Junior, Leaving and High School Certificate candidates and those leaving school this year.

In conclusion, we hope that the standard of material in "Kartanup" compares favourably with that of previous years.

The Editors and Committee.

THE CHANGING SCHOOL.

One of the most significant features of school life today is the rapidity of changes within our system. During the past seven or eight years the content of almost every major school subject has been altered. In some areas the change has been so marked that we of older generations scarcely recognise the subject being taught.

Nor is this process of change slowing down. If anything it is increasing, and for those of you remaining at school there are still more changes to come. Next year the Fourth Year Classes are to change from Mathematics A and B to Mathematics II and III. It seems most probable that within two or three years the Junior Certificate will be abolished and our First Year Classes in 1968 will be taking the first steps within this school towards the new Achievement Certificate. In 1969 the requirements for Matriculation will differ almost entirely from the current regulations and for this reason there will be many changes in the Upper School during the next two years.

Yet another change you will notice is in this year's magazine. We are trying the experiment of entirely producing our own. This of course is a very much more difficult task than just preparing copy and handing it to a printer but we feel that in this issue we have something very worthwhile, as it is the students' own work complete. Having no precedent or figures to work upon, this year's committee have had an enormous task to fulfil and they have responded splendidly to the challenge. They are to be congratulated on their effort.

In this framework of incessant change, we have also to say goodbye to a large number of boys and girls leaving school. We wish them every success and happiness in their new spheres.

Shortly there will be further changes to our school in the nature of additional buildings but I hope to retain as a permanent feature of this school its very fine gardens.

These are among the very best in the state and rank highly among the very fine things done for this school by my predecessor, Mr. Reitze.

Finally, may I wish both students and staff a Merry Christmas and all happiness and prosperity in 1968.

L. F. Samuels, Principal.

PREFECTS' NOTES.

The year 1967 draws to a close and we, as prefects will soon lose our posts to another set of eager students. Our role as prefects has been an enjoyable one with none of us being crippled from overwork.

Generally the year has been pretty quiet - we haven't even had a decent fight to stop; much of our work has been taken over by the P.A. system.

An important task of the prefects is the organization of socials. These have turned out to be roaring successes, with everyone (especially us on our half-day holidays) having a gay time. The surprise was the great time we all had at the First Year Social!

The School Ball was handed over to the prefects and after much excitement in preparation the occasion was a great success and our hard work was well rewarded. We all (especially the males) wish to thank the Kobeelya prefects for the invitation to their dance. We enjoyed ourselves immensely and in return invited the girls to our ball.

Most of what we have accomplished has been with the assistance of Mr. Samuels and his staff to whom we pass a hearty vote of thanks.

To our successors we wish the best of luck and may 1968 prove a successful year to you.

H O N O U R R O L L

LEAVING CERTIFICATES - 1966.

S. Balharrie, R. Barrett, G. Berzins, M. Broughton, B. Boydell, T. Buirchell, H. Cavali, F. Chambers, A. Franklyn, C. Harris, J. Hobley, P. Howells, S. Kenward, J. Kowald, C. Melville, J. Power, P. Quartermaine, G. Roberts, S. Sears, R. Svanberg, B. Usher.

EXHIBITION IN GEOGRAPHY - Brian Usher.

JUNIOR CERTIFICATES - 1966.

P. Aitken, C. Bahr, S. Beardman, J. Beeck, R. Beeck, J. Berger, P. Blake, T. Blake, G. Boxall, S. Brenton, M. Buchanan, H. Castle, I. Coate, R. Collins, G. Cook, M. Dumbris, J. Eves, A. Estbergs, P. Fauser, J. Fewson, J. Filmer, G. Francis, J. Franklyn, R. Freason, S. Garrity, L. Haddleton, A. Hobart, B. Hendriksen, M. Hotker, C. Illingworth, Q. Jolley, S. Kellow, C. King, B. Ladyman, N. McDougall, H. McHardy, M. McIvor, D. Keley, A. McLeod, T. McLeod, K. Meldrum, D. Merrey, M. Mosey, R. Newbold, M. O'Callaghan, T. O'Neill, K. O'Neill, C. Orr, J. Packard, B. Page, H. Parrott, K. Paynter, J. Penglase, D. Piesse, P. Pollard, A. Quartermaine, A. Roach, K. Rogers, W. Robertson, S. Russell, L. Serediznski, M. Sheriden, R. Stewart, J. Svanberg, L. Taylor, A. Tonkin, M. Tonkin, J. Underwood, B. Van Den Brand, J. Van Den Brand, R. Wanke, I. Walker, P. Wallace, G. Watkins, D. Webse, L. Wells, S. Wells.

COMMERCIAL CERTIFICATES - 1966

G. Blake, H. Castle, J. Charles, L. Cousins, G. Lindquist, S. Rundle, B. Van Den Brand, H. Varis.

HIGH SCHOOL CERTIFICATES - 1966

D. Beatie, O. Bushby, P. Farson, J. Hoglin, C. Bairstow, R. Parfitt, I. Becker, J. Britza, P. Clark, G. Curnow, R. Daniels, J. Dorrizi, P. Hclly, L. Hueppauff, R. Jeffries, A. Maher, A. Quartermaine, P. Quartermaine, N. Wait, D. Ward, B. Wintle.

COMMONWEALTH SECONDARY SCHOLARSHIPS

J. Andrews, C. Bahr, J. Berger, P. Fauser, J. Franklyn, B. Hendriksen, T. O'Neill, J. Svanberg.

COMMONWEALTH TERTIARY SCHOLARSHIPS

R. Barrett, T. Buirchell, B. Usher, R. Svanberg.

NURSING BURSAR - S. Russell.

ROTARY SCHOLARSHIP - J. Eves.

SUPERINTENDENT'S SCHOLARSHIPS

A. Eggeling, R. Freason, R. Fauser, W. Arts, A. Ripper,
C. Jolley, J. Eves, K. Harvey.

ALLIANCE FRANCAISE - 1966

J. Treloar, B. Hendricksen, T. O'Neill, G. McDougall.

D.A.S. (GERMAN) - 1966

P. Quartermaine, H. Barowski, B. Gillon, J. Kowald, S. Sears,
J. Andrews, A. Eggeling, J. Fletcher, C. Hendriksen, C. Jolley
L. Marchese, J. Treloar, M. Wells.

SPORTS AWARDS

ATHLETICS - J. Power, J. Hueppauff, D. Leach, A. Thompson.

BOYS HOCKEY - B. Page.

GIRLS TENNIS - T. Lockyer, S. Russell.

FOOTBALL - M. Hore, Q. Jolley, M. Wolfe, A. Campbell,
P. Quartermaine, W. Bairstow.

SWIMMING - H. Gibbs.

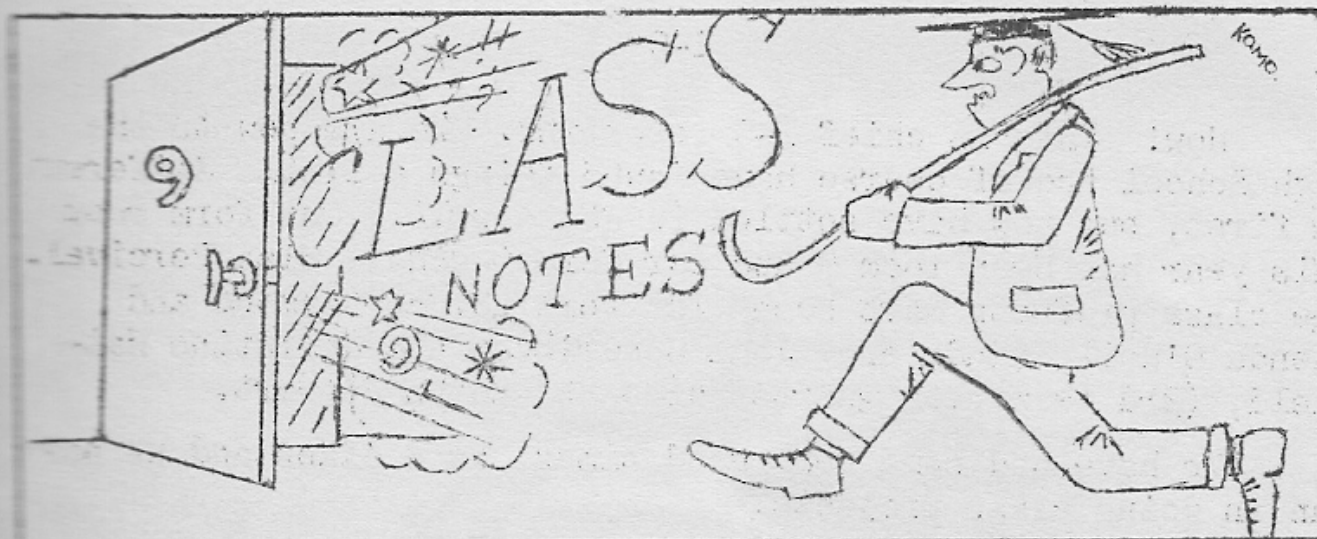

GIRLS HOCKEY - C. Cheetham, C. Sullivan, C. Jolley.

BASKETBALL - J. Greaves.

STUDENT OF THE YEAR.

The 1967 Student of the Year is Terry O'Neill. Terry starred in tennis, swimming, athletics and hockey, and was among the class intellectuals. Clive Bahr and Terry played in the doubles tennis tournament Grand Final against Alan Quartermaine and Owen Bushby. Terry was the 15 and under swimming champion and broke several records. Also, he swam in the Inter-School Swimming Carnival in Narrogin and was again champion boy. Through the year he played in the K.S.H.S. Boys' Hockey Team, played with them at Country Week, and was best player for the majority of games played.

In school, Terry again exceeds the majority in 4A. His subjects are English, French, General Maths, German, Biology and Economics, all of which he passes mainly with distinctions. This year he entered for the D.A.S. German exam and passed with sound marks. Terry has not yet decided what he will do when he leaves school, but no doubt he will continue to gain outstanding results, whatever his choice.

1-10

As 1-10 has played havoc with our teachers we would like to thank them for being able to stand up to us, especially our form teacher Miss Narmontas.

Our Game Wardens for first term were Rodney Barrett and Rosalyn Hammond - what a riot we had!

2nd term - David Marshall and Marilyn Smith - poor us.

3rd term - John Groves and Robyn Tassicker - never see the end of it.

Our Miss Ostrich, Jeanette Power, Champion 13 and under girl runner in the faction carnival, while Geoff Fletcher had a faulty spark plug and came runner up to the 13 and under Champion boy.

Marilyn is sitting on the Eves, Rooster (Brian Cheetham) being top of the perch out of the first years will probably earn another feather for his cap in the coming exams. Our top go-go minded professor Ken Wanke, still makes a fool. Robyn - would be champion, and Michael - Mr. Newton's pet.

Miss Narmontas, whose bright clothes temporarily blind us, can wander from the subject we are talking about very nicely. I suppose now Miss Sadlier, the Redhead, always lights the fuse when she steps into our room. Mr. Polglase is aging through having 1-10.

How! This is chief 1-9 reporting. We are new to the High School and of course have found things a little different at first, but now have settled in quite well. Our form room this year has been room 9 and our form teacher, Miss Percival. The class prefects have been (1st term) Bruce Raymond and Glenda O'Neil, (2nd term) John Hendriksen and Christine Hatfield, (3rd term) Ian Quartermaine and Robyn Stewart.

We have had some very good times as a class and we have fun in doing class projects.

The tops for the two terms have been - (1st term) Laurel Kippen and John Quartermaine, (2nd term) Kim Harrop and Patricia Couper.

Athletic Champions have been Bruce Raymond and Shirl Meyn for swimming.

Our class at times has been out of hand but we would like to thank Miss Percival for looking after us as our form teacher, and would also like to thank all our other teachers who have taught us this year.

Hi! This is 1-6 reporting through the outlet of class notes, on the disastrous yet happy life of our first year at High School.

Prefects this year were:

1st Term - Garry Wilson and Krystina Seridynski.

2nd Term - Rodney Carr and Gail Badger.

3rd Term - Graeme Brown and Sheryl Harris.

You can take my word for it that they had a hard task in front of them to control the various people making up our class. The brains of the class are Heather Ackley, Garry (Starchy) Dykstra and Neil Emery, but only Garry has topped the class both terms, followed closely by Peter Haddleton.

some of us are to set about toppling them off their perch.

Our sports stars are -- Robert Edgill, boxing and athletics (especially the mile), David Leach, who was our only trophy winner, being 13 and under Champion. Our twin boys (John and Gordon are our best high jumpers. Girls are Gail Badger, Kristina Seridynski, Gaye Roberts and Anne Cheetam -- these girls are good at athletics. The twins -- girls, who play opposite ends of a basket ball court on the same team. Our swimmers are Rodney Carr and Peter Haddleton. Our girls are Lorraine Barbas and Kristina Seridynski for diving.

Some class personalities are :

Gary (Starchy) Dykstra - Girl Killer
Robert Edgill - Our Cassius
Kevin (Detective) Woods - Our Giant
Rodney Carr - Needs petrol to choose girls
Gail Badger - Socks under stockings, are they allowed?!
Marilyn Hatton - You talk too much.
Anne Bunce)
Valerie Bunce) - Who's who out of you two?

TEACHERS

Our form teacher is Miss Sadlier who we only see at the end of term (worst luck!)
Mr. Smith - Our Tech-drawing teacher - straight lines or else.
Miss McKay - Our play lessons are our English ones.
Mr. Duncan - Took to bringing along a "waddy".

Finally, we would like to wish all Junior and Leaving candidates all the best in these fast approaching exams.

Peter Haddleton.

1-5

This year 1-5 proved to have the loudest lungs and could out do any class in this school. For this reason we pity the teachers who have to put up with our racket.

1st Term - proved successful for Lindsay Kealley who topped the class. Sandra Risborough shone amongst the girls.

First Term prefects were Robert McMahon and Carolyn Wintle, although conscience had a big loaf. Second Term prefects were Steave Opalinski and Sandra Risborough who were concerned mostly with absentees. In third term Vincent Jenkin and Cheryl Coles proved to be successful prefects.

J. Pains.

1-4

Our form room this year has been room 4. We are fortunate in many ways to spend most of our time there. We are able to have our own Library which is renewed each term. Our class is rather small - ten girls and seven boys.

The term prefects for the three terms have been Elsa Berach, Leslie Ryder, Patricia Beecroft, Ashton Hanson and Helen Hall. Claude Ryder, Patricia Beecroft, Janice Hand, David Goodwin and Norman Williams have obtained the best results in our term exams.

In spite of our small number we have been well represented in sporting activities. Taking part in the swimming carnival were Jennifer Michael and Leslie Ryder. These two again represented us in the athletic carnival, together with Elsa Berach, Debbie Landers, Helen Hall, Hilary Nelly and Norman William.

Taking part in weekend sporting fixtures were Claude and Leslie Ryder (winning the Grand Final) Basketball.

Trevor Underwood and Ashton Hansen (team reaching semi-final). Helen Hall (team reaching semi-finals) and Elsa Berach (team defeated in Grand Finals).

2A-1 started the year very satisfactorily and worked well through-out the year. The brains of the class, Anthony Filmer, Lindsay Courtis, Peter Berger and Russell Aitken did well in the exams.

Sport

Country-week: This class had four representatives at country week. They were Roslyn Hams (hockey), Roly Berzins, Gordon Sheehan, and Anthony Filmer (all hockey). Now that the football season is closed the boys of this class say that they have played well. Consistent players were Russell Aitken, Graham Pitchers and A. Thompson, others played well also e.g. Ashly and Bruce.

Athletics Anthony Thompson represented 2A-1 by winning the 14 and under championship.

Tennis Helen Gibbs performed well and deserves a mention.

Prefects

1st Term - R. Aitken and P. Harris

2nd Term - G. Cooper and M. Guelfi

3rd Term - A. Filmer and H. Gibbs

Teachers All thanks must go to our form teacher Mrs Koldenhoven and Mr Quinn for putting up with our lack of Social Studies knowledge.

Mentions must also go to Mr Segal, Mr McManus, Mr Smith Mr Gibson (able to withstand our fiery comments), Mr Weir and the rest of the staff concerned with us.

Class Comments

Willy - Loves Mr Newton.

Garth - Pickle Head.

Denis - Hunch back of Notre Dame.

Peter B. - Baldy.

R. Hams - Flips over Roly.

P. Beeck - No comment.

Best of luck to all fifth years in their forthcoming leaving exams.

In all considerations we can say that 2A-1 has completed the academic course satisfactorily.

Signed - Charlie Drake.

Hi! This is 2A-2 broadcasting from room 7. We are 40 in all, very intelligent, reliable, honest and talented students. If you happen to see some very hard working students it will surely be us.

We are extremely proud that we have put up with the teachers and homework for so long. It does seem they have no pity on us. We are continually being told that we are the noisiest class in the school, but this is just to make us work hard.

Class brains are K. Smith and C. Orr with the laggards at the rear slowly dropping out. We appreciate the fact that Mr X has stressed his dislike for violence for three terms, (fearing he may be hurt).

Dianne and Chris were experimenting with hair dyes but unfortunately used red which gave them both a tinge of red in their black hair.

Sport

Our main sport enthusiasts are:
 Cheryl - who played hockey against Albany.
 Ian - an expert at Red Skin shot put.
 Norma - very keen to be surfing at Flat Rocks in winter.

Class Characters

Pat - No One Loves a Clown.
 Kenny S. - Fluffy.
 Sandra - Barry's love.
 Ian - Red Skinned Indian.
 Kevin - Shearer (tally 500 per day)

A is for Albert
 B is for Ball
 C is for Cherry with a Red Face and all.
 D is for Dianne, too much T.V.
 E is for Edward who loves science "E".

F is for Freckles, he thinks he's just perfect.
G is for Gary our third term prefect.
And that is all we do regret
Because there's no more to our alphabet
You see F is for fun and D is for Dumb
And that is us all in a sum.

We would like to wish all the 3rd year candidates
(especially knob) all the best in their Junior as we realize
it will be us next year.

This is 2A-2 signing off with our class motto
"Get Out Of What You Can".

Anonymous.

2J

Hi! there this is 2J reporting for the 1967 School
Magazine. So far this year 2J have been quite successful
and we welcomed two new members to our class. Nice to have
you in our happy class Julia and Derek.

This years prefects have been Rhona Cannon and Wayne
Pantall for first term, Vivienne Bridge and Gary Morgan
for second term and for third term we have Lois Manual
and Barry Burton.

We had quite a surprise installed for us in first term
and that was Valerie Page who topped the class in her class
average. Well done Val! The two top boys were John Bario
and Robert Ball (pity there aren't a few more like these two
boys). Second term results showed us that Susan Webb was
the class brain and John and Robert again fought it out
between them.

I and all the class members would like to extend our
gratitude to Mr McManus our form teacher, for the
splendid effort he has put into some of us featherheads.

Not mentioning any names of course. I honestly don't know how he puts up with us. I think he must have a nerve of steel. He'd need it to put up with us anyway.

We'd also like to thank all the other teachers who have taught us during this year. I think most of us thoroughly enjoy listening, learning and becoming wiser as our teachers pour out their hidden talents - that they have a long time possessed.

I think most of us went to the ball and thoroughly enjoyed ourselves. Well a couple of pairs and myself did anyway. (It's a different matter getting up next morning though isn't it kids!)

Class Frolic

Lois Mannuel
Judith Haddleton
Cheryl Harvey
Julia Hogan
Rhonda Cannon

Wayne Pantall
Daryl Pollard
Steven Harkings
Barry Burton
Malcolm Poet
Colin Mundy

"Baby Elephant Walk"
"Don't Sleep in the Subway"
"China Doll"
"When Will I be Loved"
"Works Hard but Doesn't Seem to Get Anywhere"
"Snoopy let your Hair Hang Down"
"The Class Vegetable"
"Words Would Break my Back"
"Grumpy"
"Where Are you Growing Hormones Mal?"
"Long Tall Texan"

2H

2H has had a very successful year and averaged a lot better than last year.

Term prefects throughout the year were:

1st Term - Elly Parfitt
2nd Term - Marie Heaney
3rd Term - Ronda Haywood

Steven Jones
Jeff Paini
Bernie A'Vard

The top of the term Exams First and Second terms were:
1st Term - Marie Heaney and Michael Eades
2nd Term - Marie Heaney and Jeff Paini

3A-1

Welcome to the hangout of 3A-1, commonly called the mob. There's no doubt about it, we're just a mob of rebels. At the end of first term we were fortunate to receive a new arrival ...when that door opened Mick's glasses broke, Wayne's head spun like a clock, Fauser fainted, Merv worked out capture plans and Kev decided that girl's weren't bad after all ...Cheryl walked in.

Our form teacher Mr Quinn tried to reform us, but met with overwhelming opposition and devoted all his attention to footy and managed to win the award for the most serviceable player in Wanderer's A-grade. Mr Smargaissi had it hard with his donkey, which he lets us know about.

Mrs Koldenhoven decided that, half way through third term term, there was more money in raffles than in teaching.

Our unfortunate Science B teacher, Mr McManus is always telling us to use more nouse. It makes it hard when you don't know what a nouse is.

Mr Segal our beloved English teacher, battled all year to improve our English standard, but he was slow to take the hint.

Class Clots

Robin (Fudd) - knee deep in the creek looking for frogs.
Smithy - our class surfie..Helen can't keep out of his way.
Val - pickled freckles. Water-pistol king.
Barrett - our record king.
Gail - the hippy queen.
Isaacs - smokes for pleasure.
Filmer (Boans) - sometimes sits and thinks and sometimes just sits.

Prefects

First Term - Gary Mac and Janice Cronin

Second Term - Daffy and Rae Pike

Third Term - Robin Fauser and Betty Emery

Class Leaders were as usual Phillip and Jenny in first term and in second term Phillip topped the boys and Stana the girls.

Sports

'Dragster' Karen won another trophy at the athletics carnival. Peter J. fairly flogged down the track to add another trophy to his list.

The mob was well represented at Country Week and had a ball coming home on the train. Nice loli-water eh, Cheryle?

We would like to wish all prospective Junior and Leaving candidates the very best for the coming exams and we hope the examiners are in a good mood when they mark our papers as they are likely to get some headaches from Katanning.

.....AMEN.

3A-2

Hi! from the Sky, this is your Good Guy!
Here we are again reporting to you the past happenings of the good old class "3A-2".

Our form room or hideout was that little old book room called a Library. Our first form teacher was Miss Yates, but she ran off to get married. Then Miss Shields was landed with the task of controlling us. The only time we ever used our form room was at the end of each term when all the old chew gum (I sat on some), lollies and biro marks have to be cleaned and disposed of.

Our prefects in first term were Ken "teeth" Hall and

Val Collins.

During the term a little South Aussie came from across the Nullabor to join our flock. This South Aussie's name was Paul Kerin. (likes bragging about Jamestown).

In the Swimming Carnival that was held, we had "Banjo" Paterson, Len Johnson and John Komo. They all made a good impression of themselves by not winning anything (better luck next year).

After a hectic first term we were inspected by the Head slave driver who told us our bad and good points (burn your report!) In the first term exams Ray Kowald and Glenda Waterson came top of the class. We also had some triers but they didn't make the grade. At the end of this hectic term we got two weeks holiday for good behaviour.

At the end of the holidays we had to face second term. (boo!). In our annual prefect elections, Allan Faulkner and Glenda Waterson were elected in. They both did a good job of nothing.

In the second term exams Ray Kowald was toppled off his seat and Robert "Hippie" Ball became the new brain in the male half of 3A-2. Glenda Waterson still held onto her title (Brainy!) Holidays were on us again after that hard second term.

Third term opened with everybody just too anxious to get back to work though it didn't last too long. We had a lot of study to get through. Third terms prefects were

Peter Jolly who out voted his oponent 10 to 1 (who was his opponent?) Bev Bentely was elected in the girls. At the start of the term, we were again invaded by another South Aussie. This time he was a ten foot giant by the name of Chris Noble (puts Ken to shame). He was soon introduced to the other South Aussie.

In the Athletic Carnival we had a few triers, but mainly spectators. Those who did try were "Yogi" Bairstow, Alan Faulkner, John Komo (came first in the mile at the wrong end) and Robert Ball (couldn't handle the turn in the 880 and went straight on towards the hostel). We didn't do too bad.

We third year students have finally come to the end of our road and now the Junior is ahead of us. Our slave drivers (teachers) have done all they can in knocking some brains into our thick heads, so I guess when the Junior results come out, there will be some happy, shocked and disappointed 3A-2 students (boo-hoo!!). I would like to thank all teachers who taught 3A-2 of '67 for the way they kept their heads, (we hope we didn't cause any grey hairs or black-outs) and hope you can survive for another year (especially Mr Mony de Kirloy).

I would like to wish all the Junior, Leaving and High School Certificate candidates the best of luck in your examinations, and you better pass or else.

Our Classy Gals and Lads

Pam Smith - Back seat Driver.
Jill Christmas - Always masticating.
Dianne Goodchild - Boy Happy!
Janice Boxall - Corduory King.
Bev Bently - Book happy brainy.
Paul Kerin - Nipper from S.A.
Peter Jolly - Lets go sailing.
"Smily" Wolfe - E. Perth for premiers?
John Komo - "O" Hairy One.
Ray Kowald - He'll die laughing.

Chris Noble - "What's the weather like up there?"
Robert Ball - Hippie temptation.
Len Johnson - Tom Thumb.
Peter Sukiennik - Local scunger.

3A-2 is a household word through out the whole school,
(A house is not a home)...

This report was made by your Good Guy,

John Komorowski (Comrade)

3J

Prefects

1st Term - Vivienne Wells and Frank Atkins
2nd Term - Denise Rasmaussen and Ian Green
3rd Term - Vincy Scurria and Gary Coles

Class Leaders

1st Term - Vincy Scurria and Ken Robertson
2nd Term - Vincy Scurria and Ian Green

Personalities

Vivienne Wells	- "She's a Mod"
Brian Carr	- "Little Ole Wine-drinker Me"
Michelle Stevens	- "Lets Spend the Night Together"
David Bunce	- "I Can't Control Myself"
Lynette Grogan	- "Pride and Joy"
Lyn Jefferies	- "Spring Fever"
Michael Cassidy	- "Going Out of My Head"
Terryl Lockyer	- "Let It All Hang Out"

Sporting Personalities

Terryl Lockyer	- Tennis girls doubles champion with partner Suzannah Russell.
Gary Coles	- Football - Went to Country Week.
David Bunce	- Third in the Open Mile.

To The Teachers - We'd like to thank all the teachers for helping us through our Junior year. Though some students weren't very co-operative we appreciate your attention. Special thanks to Mr Gibson, our form teacher.

3J would like to wish all Junior Leaving Examinations candidates every success in their exams and best of luck in future years.

3J Students.

3H

Hi! This is 3H reporting.

We would like to thank all our teachers for teaching us this year.

Our class prefects this year have been:
First Term - Marrilyn Smart and Michael Edwards.
Second Term - Linda Page and John Parfitt.
Third Term - Elizabeth Wray and Alan Campbell.

At the beginning of first term we had sixteen students in our class but our numbers have dropped considerably, and now we only have nine at present. During the year Terry Lear, Suzanne Rodd, Michael Edwards, Steven Wallace, Russell Nelly, Garth Seaton have left, while Alan Campbell arrived during the latter part of first term.

Paddy Quartermaine, Yvonne Parfitt and John Parfitt all did very well at our athletic sports and we would like to congratulate Paddy on his athletics colours.

During the year we have been lucky to have quite a few books purchased for our class library. Also some were lent to us by Peter Richardson and Miss Fry. We have done very

interesting projects on New Guinea, Africa and South America during Social Studies. The girls have compiled a Deportment file with Miss Fry during Art.

We would like to thank Miss Benn and Miss Bulman for teaching us to cook and serve meals for quite a few of the teachers. We hope and think they all enjoyed it.

Finally, we would like to thank Miss Fry for being our form teacher during our year in 3H.

We would like to wish all the students who are doing their Junior the best of luck in their future.

Goodbye from 3H of 1967.

4C

This is the news from channel 4C transmitting on 15,000 kilocycles.

During the year 4C recorded a maximum number of students 31 but as usual, the business world kindly relieved us of most of our troubles.

Most of the students agree we've had a terrific year, reasons:- Class full of goers. Work has not been in evidence. Helpful form teacher. We have decided to form a Typewriting Company for teachers e.g. Mr Smargaissi (Economics) Mr Wishart (Oh that writing) Mrs Weir (Librarian Failures).

Four members of the class represented the school at country week they are: Julie, Coral, Chris and Bill.

Class Personalities

Miss Hams (Hamsy) - Knows all about deportment and cars.

Agnes (Gus) - Love sick for Kevin, seems to be putting more effort into Home Science.

Anna (Mole) - The noise of the class and a champion ear basher.

Bill (The Lone Ranger) - Only boy on the island with 15

beautiful girls to look after him. (He needs it, especially when he comes to school with a hangover).

Chris (Mum Bear) - Never misses a homework session - giggling gert.

Dorothy (Dots) - Loves P.T. especially long runs around the golf course. Carries everything with her.

Coral (Moncky) - Friends join the circus, Homework maniac a swinger at hockey.

Gloria (Glor) - Shorthand fanatic, Blonde Bomshell or the old grey mare!

Gwen (Gwendalyn) - Who are the boys from Narrogin?

Julie (Ethel) - Champion swimmer and comedian. Anyone need a dress made. (or unmade).

Joycelyn (Twiggy) - Resource of jokes and discoverer of love letters.

Lyn (Hop-off) - Best typist. Watch her when she walks.

Nancy (Doodle) - Excels at typing inaccurately. A good catch tops Home Science.

Patricia (Trisha) - Loves playing hockey - coloured blind in dressmaking.

Raelene (Speedy) - Talks too much but too quietly. (can't hear her).

Shelley (Fast Lady) - Proved her running ability by her catch. Topped commerce.

Shirley (Cher) - Mini deluxe. Wants to join the hippy cult.

We conclude these notes by thanking all the teachers for having us put up with them (Opps!)

4A

4A!? We are the academic version of 4C. or maybe 4C are the commercial version of 4A. Although we have been pondering over the question all year, we have still had time to achieve excellent academic and sporting results.

We hit the scene at the beginning of the year flaunting our motto; "Sex, study? and Starwine" (Reg'd Trade Mark),

but to our disgust only the second one was encouraged by the slave drivers. Speaking of slave drivers, they were well equipped to meet our onslaught with new issues of pocket thumbscrews and cat-o-nine tails for the dissenters, and stocks of work for the meek and humble (very few).

Despite the good times to be had some students took more than a lighthearted view of the term exams and congratulations must be given to John, Terry, Clive, Betty, Suzannah and Judy for consistently good academic results through-out the year.

Several members of the class displayed unexpected intelligence when they passed the D.A.S. German exam. These scholars are Terry, Betty, Kay, Maureen (distinction), Jeanette and Cheryl.

Our sporting stars have upheld the prestige of 4A by shining in every field. Grateful thanks are extended to those distinguished footballers, athletes, swimmers etc. who have enabled us to retain a little standing in the school, (these thanks do not, of course, include those dismal failures who spend sport periods hiding in Room A.)

Male sporting stars are Terry, Alan, Clive, Quenten, Derek, Peter, Milton and Gary, who starred in many forms of sporting activities and upheld the time honoured tradition that the males wear the pants as far as sports are concerned. Not to be denied the girls came out with stars like Mara, Maureen, Jenny, Suzannah, Lorraine and Shelley who all did their bit to confound our theory.

Some 4A boys joined into Cadets, all attaining a rank of corporal or better. The abstainers, for religious reasons prefer to make the Friday pilgrimage to Rovers Cafe.

With the Leaving just one short year away, I can envisage hords of lads rushing for jobs on the C.B.H., M.R.D. and the Shire Council with others drawing heavily on the nations resources on the form of unemployment benefits.

At morning recess may be seen a group of emacitated, whip scarred, hulks of bodies representing the youth of today, please don't expect great things from them because they are going through a trying period between the Junior and Leaving.

In conclusion I would like to pass a little advice to next years 4A. "Don't do tomorrow what you have put off from today." Also I would like to wish all candidates in the forthcoming Public Examinations the best wishes for a successful fling and our condolences to those who don't make the grade.

5

In our opinion, this year has had one major fault - it has passed too quickly, so that now the Leaving Looms, less than a month away. We are a small, quiet(!) hardworking (!) class, which never fails to set a good example (well, and example anyway) to the rest of the school.

During the year, our class prefects were Pat and Eddy for first term, Judith and Frank for second term, and Anne and Joe for third term.

A majority of the class has set its eyes on teacher's College next year. Among the girls there are a few prospective nurses, and we have a sprinkling of other future careers.

Those lunch-time coffee sessions were enjoyed by all (and particularly appreciated during winter). Perhaps they are the reason so many of us are so wide awake during the afternoons.

Fifth year members who went to Country Week were Pat MacFarlane, Marie Hegarty, Kath Lawler, Jo Fletcher,

Charmian Jolley, Jessica Treloar, Kerry Thomas, Kevin Heberle and Mervyn Baxter. In the faction sports we were represented by several people, who all tried hard. (Unfortunately we can't all be winners!) Congratulations go to Kath who, true to form won the Open Champion Girl's trophy.

A highlight of first term for the German Students was a trip tp Perth to see a German film which was shown at the University. We would like to extend our sincere thanks to Mrs. Weir, who took us in her car, and who organised the trip. Another film we saw was "Huckleberry Finn", which is one of our novels this year.

In closing, we wish to thank all teachers who have worked so hard for us this year. To all third year students, we wish the best of luck for the coming Junior.

5th Year Alphabet

A is for Absence, we try all the time.
B is for Backseat, another of mine.
C is for Courtship, we do our best.
D is for Devotion, that's just a jest.
E is for English, which we like to miss.
F is for French, with Miss Narmontas.
G is for George, he likes cars "I think".
H is for Hendrikson, her minds a blink.
I is for Illingworth, they make them so wise.
J is for Jo, she laughs and she cries.
K is for Kath, on a diet of course.
L is for Lumbage, a bit of a horse.
M is for Merv, he drives a beaut bus.
N is for Narcotics, a habit with us.
O is for Marks, across the hands I recall.
P is for Pat, what a riot of a ball.
Q is for Questions, some teachers do plead.
R is for Rees, our footballer indeed.
S is for Single, which most of us aren't.
T is for Trig, which most of us can't.
U is for Underestimate, our abilitess again.
V is for Vineyards, will the biys please remain.
W is for Wanted, chemistry I suppose.

X is for Xmas, may pass, who knows.
Y is for Youth, we'd like to remain.
Z is for Zero, Oh no!! not again.

V is for 5th year our schooling is done not much work,
but plenty of fun. Our last magazine, we'll fill with ~~stuff~~
rot. Its time to sign off, with Luv, Phantom Blot.

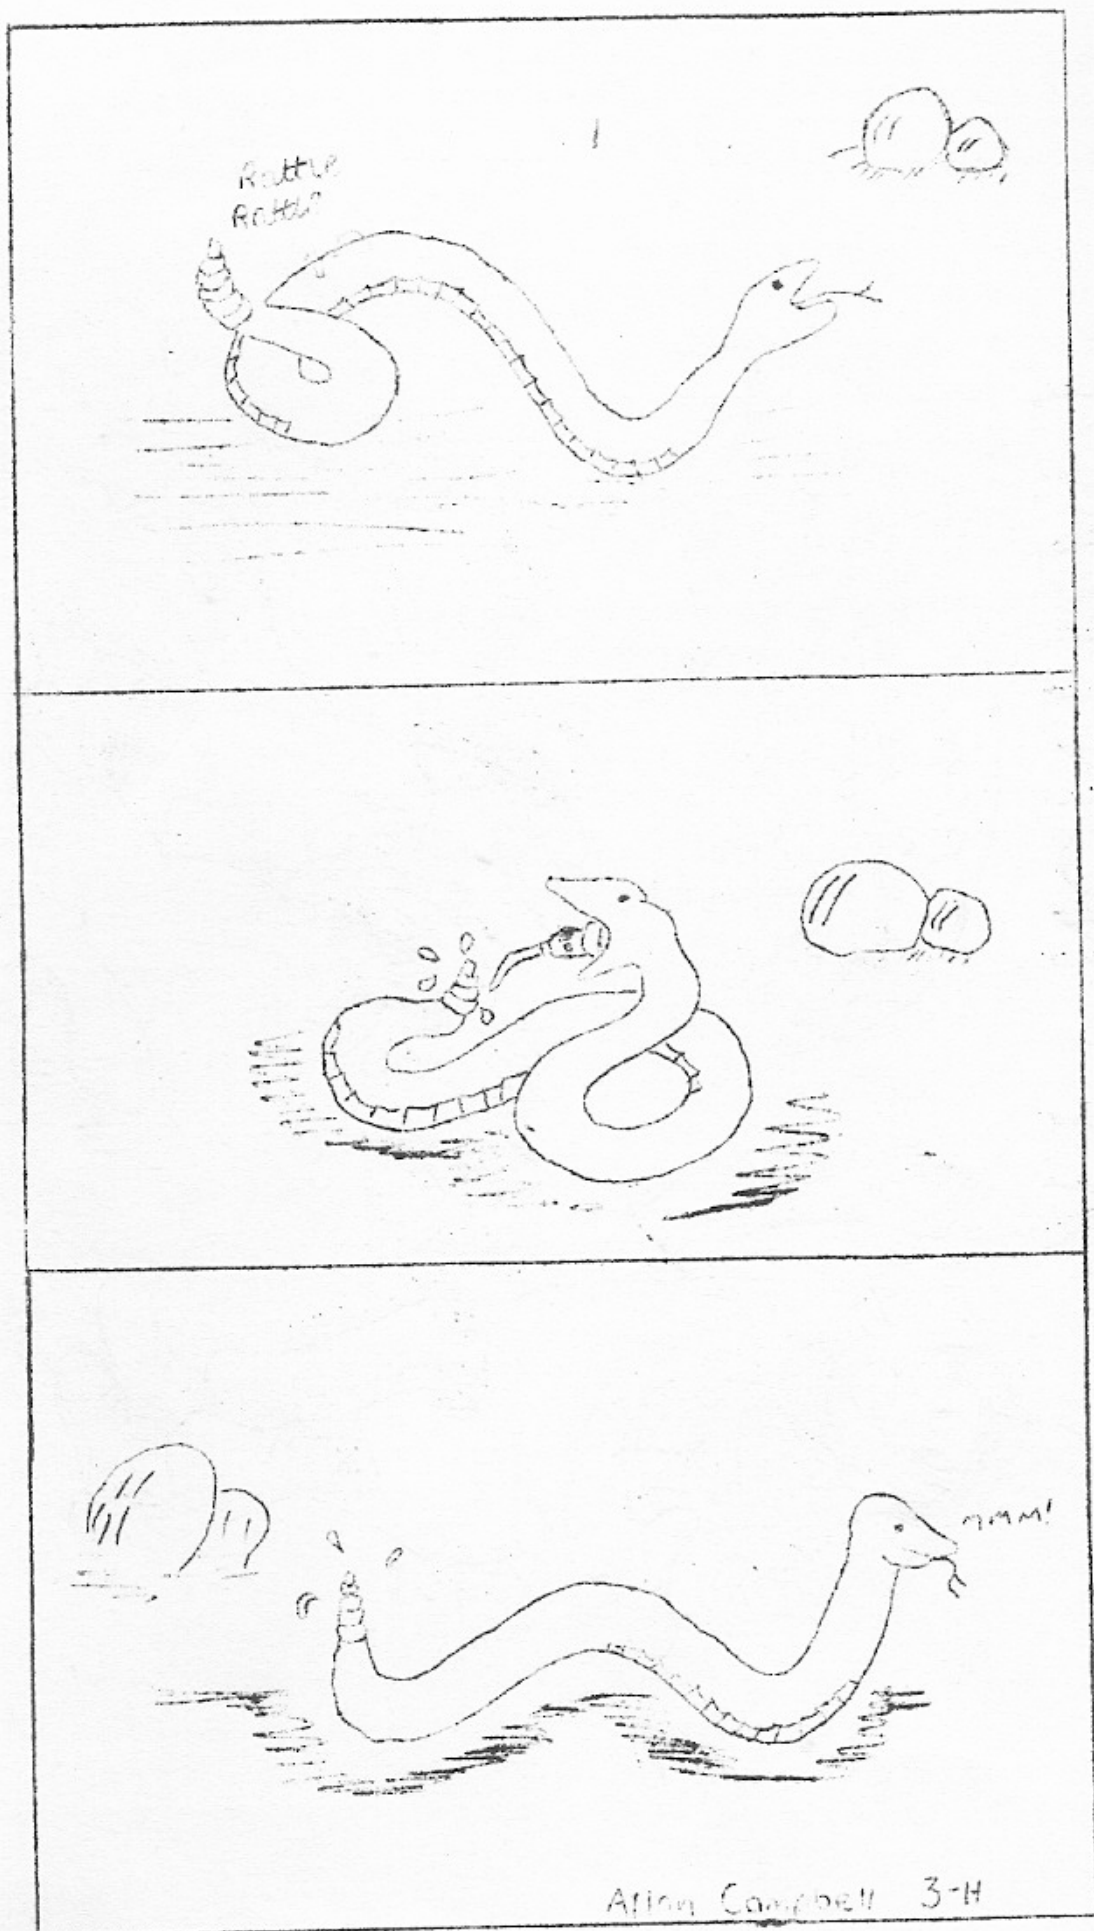

STAFF POPS

Mr Samuels - Light My Fire.
Mrs Weir - She's a Must to Avoid.
Mr De Kerloy - No One Really Loves a Clown.
Mr Quinn - Little Old Wine Drinker Me.
Mr Smith - If I Were a Carpenter.
Mr Weir - Marble Breaks and Iron Bends.
Mr Smargaissi - Don't Let Me Be Misunderstood.
Mr Newton - How Do You Catch A Girl?
Mr Duncan - In My Book.
Mr Segal - Bird's Eye View.
Mr Polglase- undecided.
Mrs Koldenhoven - Baby you're a Rich Man.
Miss Hams - Long Legged Girl With A Short Dress On.
Miss Sadlier - Red Baron.
Miss Narmontas - The Girls In Paris.
Miss Shields - Fortune Teller.
Miss Fry - Strange Brew.
Mrs Beeck - Music, Music, Music,
Mr Gibson - It Takes Two.
Mrs Gibson - Lets Spend the Night Together.
Mrs Giles - Don't Blame It On The Children.
Mr Jones - Theme For A New Love.
Miss Bulman - Run, Run, Run.
Miss Benn - Needles and Pins.

KATANNING CADETS AT NORTHAM

JOHN KONOROWSKI

Allen Campbell 3-H

The sporting year commenced with one of our more enjoyable occasions - the faction swimming carnival. As well as being very colourful owing to the absence of school uniform, very good performances were registered by many swimmers, especially by Terry O'Neill and Trudy Hanna who were outstanding in their age groups.

Early in the term the doubles tennis tournament commenced with many hopeful but hopeless pairs trying their luck. The finals were eventually played off with four brilliant couples being victorious.

In the middle of first term a visit by the sporting types of Narrogin Senior High School saw Katanning successful in cricket, tennis and softball. In the following week however, Narrogin gained its revenge with a 100 point victory over our term in the inter-school swimming carnival.

Towards the end of first term the eagerly awaited winter season commenced with both boys and girls in various teams settling into training routines in an attempt to loosen those rarely used muscles.

Success in winter sports this year has been mediocre. The 'A' Grade hockey team performed well to reach the grand final in local competition; however bad luck dogged them at Country Week where they managed only third place in the 'B' Grade competition.

The boys' football team (with much room for improvement next year you chaps!) has had a mixed season. The team did justice to themselves in local matches against Kojonup Junior High (won by 16 goals) and Albany Senior High (lost by about 40 points). Success at Country Week however was limited, with the team only clinching one victory.

On the girls' side of the winter programme, the Country Week hockey team played well against strong opposition and gained third place in the competition.

The girls' basketball team had a round of very closely contested matches at Country Week, but were successful in only one game. On the local scene they topped off a most successful season by reaching the 'A' Grade Grand Final, but unfortunately losing by one goal.

Further highlights of the winter term were visits by Albany and Kojonup sporting teams and hilarious (though not entirely to the usual rules!) basketball matches between students and staff.

The beginning of third term brought with it the athletic season and also the usual pulled muscles.' This year there has been an emphasis on cross country running with the aim of improving general fitness. Objections to this came in thick and fast, however the majority of the boys had the "intestinal fortitude" to get on with the business and complete the course.

At the athletic carnival, spectators witnessed - along with the usual gawdy clothing - a close struggle between the four factions, the final event deciding the eventual winner, GOLD! Congratulations to all champions and especially to Kath Lawler and Anthony Thompson.

In conclusion, this year has been one with varied results. Congratulations to all the triers as well as to the champions and those who received sporting badges.

F A C T I O N S

BLUE FACTION

Captains - Kerry Thomas and Jo Fletcher.

Blue attacked 1967 with plenty of fire, drive and determination and after being bashed, thrashed, crashed.... and pashed, we're still here with colours flying! We've had a crack at everything this year but unfortunately with mixed results.

We managed to get a place in the swimming carnival, amongst the bar of the crowd - third. Many of our 'femis' and 'fellas' battled along gamely only to see the feet of other factions. Prominent swimmers were - B. Hendrikson, S. Meyn, G. Justins, K. Thomas (open Boy), T. O'Neill (champ at inters), S. Opolinski, G. Evans and J. Hendrikson.

The athletics turned out to be a much different affair. We scattered the fields far and wide, and only after the relays were we put to second, by a miserable $4\frac{1}{2}$ points. However we dominated many events, especially in the boys open and 15 and under sections. Prominent athletes were. G. George, T. O'Neill, K. Thomas (open boy), E. Griffen, P. Johnson (15 & under boy), P. Quartermaine (runner up 15 & under), R. Aitken, G. Sheahan, D. Smith, D. Van Den Brand, and G. Badger. We once again held up our reputation with a fine cheer squad -- and sore throats!

The faction took line honours in many of the school sports teams. To conserve a lot of space we won't mention them all, but some prominents were :- Eddie(cricket), Kerry (you name it), Jo (hockey), Gordon (hockey), David (footy), Terry (you name it), Paddy (footy), boots Berger (hockey), sorry Smilie (footy & cricket).

Must pass on thanks to our captains who have encouraged us all, and our general thanks to all 'Blue' members for their support during the year. Many of our junior members are showing great promise so best of luck for 1968 to good old Blue!

GOLD FACTION

Captains - Murray Wells & Pat Macfarlane

After disappointing results in the Swimming Carnival with over 100 points behind the third placing, Gold Faction decided to change from flippers to running shoes with consequent results. Congratulations to all members of Gold who successfully participated in the Athletic Carnival and especially to our five "champs" -

Karen McIvor - 15 years & under, Champion Girl
Janine Hueppauff - 14 years & under, Champion Girl
Jeanette Power - 13 years & under, Champion Girl
Anthony Thompson - 14 years & under, Champion Boy
David Leach - 13 years & under, Champion Boy

Quite an achievement - five trophy awards out of eight.
Congratulations Gold!

Of the sporting awards granted this year, Gold also excelled with ten awards received. Four football badges were awarded to - Tony Miller, Quentin Jolley, Max Hore and Warren Bairstow.

Athletic badges were awarded to Janine Hueppauff, Jeanette Power, David Leach and Anthony Thompson.

Bill Page received a hockey badge and finally Helen Gibbs was awarded a swimming badge.

Helen, an all round sportswoman, was awarded a tennis trophy this year and also received a trophy for fairest and best basketballer. She proved to be a very accurate goal shooter helping the school 'A' Grade team reach the Grand Finals.

Th the younger members of Gold who are at all sport minded is left the responsibility of maintaining a high standard of sport for the faction and the school.

I would say "Well done Gold!" and keep up the excellent quality of sport.

GREEN FACTION

Captains - Merryn Baxter and Kath Lawler.

Green had its ups and downs as usual, but overall we had quite an enjoyable year.

We got away to a flying start and put other factions to shame by winning the Swimming Carnival. Congratulations to all those who entered (also to the cheering squads). Prominent swimmers for green were J. Filmer, R. Berzins, R. Marshall, B. Raymond, J. Dykstra, L. Haddleton, J. Greaves and G. McAuliffe. Others who helped considerably in building up the score were J. Penglase, J. Young and R. Rees.

In the Athletic Carnival however, Green was not quite so successful but managed third place. Gold must be congratulated for their fine effort in winning, especially the Captains. (Hey, Murray?).

Congratulations go to Kath Lawler (Gogs) who (without the use of her glasses) broke three records and wound up the Open Champion Girl of the day. Congrats also to Joe Macri (Runner Up Champion Boy), Camel who, (using his "flat" feet) won the open mile, Cheryl Cheetham, Valerie Page and Darryl Scullard. Many other junior members of the faction helped in building up the score.

Through the year Green has been well represented in football, hockey, cricket, basketball and swimming.

Congratulations go to all those who were selected for Country Week and the various other sporting teams.

The year was thoroughly enjoyed by all of Green Faction and we thank the other factions for the splendid competition they gave us.

RED FACTION

Captains - Kevin Heberle & Jessica Treloar.

On glancing through last year's faction notes it came to our notice that the scribes were able to start on a somewhat cheerful note - "Well, another successful year for Red, recording second place in the swimming carnival and athletics carnival". This, however, is not the case this year. We did finish second in the swimming carnival but dipped to fourth place in athletics. Green once more drowned our hopes of success in swimming by far more superior competitors and numbers.

It is felt that Red does not have enough co-operation from its members, particularly from the upper school. What's that, Al? Sore leg! Sorry!

We do have of course, ever reliable Trudy Hanna and Ian Quartermaine. Between these two swimmers the total of 127 points was amassed (70 by Trudy, 57 by Ian). When compared with our total of 357 it shows their fantastic effort. Others to do well in the carnival were Philip Blake, Malcolm Packard, Milton Mosey, Ray Smith, Robert McMahon and Yvonne Wanke.

Our fleet of foot competitors the athletic carnival included Milton Mosey, Kevin Heberle, Malcolm Packard, Denis Cheetham, Shelley Kellow, Mara Dumbriis and Robin Stewart. Special congratulations must go to Sue Quartermaine who was Runner Up 13 yrs and under and also set a new record for the hurdles.

Congratulations to the Girls & Boys' relay teams, especially boys' open team - Milton, David, Alan and Kevin. - they fairly burned up the track, just outside the record.

Also congratulations to Sue Russell, our tennis star.

Whenever Upper School sport day came and a game of hockey started, Red seemed to do well when they teamed with Blue. Always sure of a fiery game and some lively comments coming from Green and Gold. Hey what Charlie?!!

SWIMMING CARNIVAL NOTES.

As the day of the Swimming Carnival drew near, the many competitors became excited as also the cheer squad which was composed of the remainder of the school. Arriving at school on the big day, one would see gaily clad students supporting their faction with ribbons and at 9 a.m. everyone set off, either hurriedly or dawdling, to the swimming pool.

During the day there were many records broken and a lot of close events. The staff versus students was a close race but because a bit of "cheating" the eventual decision went the way of the teachers.

The winning faction was Green with 552 points, followed by Red with 347 points then Blue with 263 points and Gold with 193 points.

The winners of the trophies this year were: Open Boy, Kerry Thomas; Open Girl, Truda Hanna; 15 & under Girl, Julie Filmer; Boy, Terry O'Neill; 14 & under Girl, Helen Gibbs; Boy, Rolly Berzins; 13 & under Girl, tie Trudy Hanna and Shirl Meyn; Boy, Ian Quartermaine.

The diving champions were: Open Girl, Janine Greaves and Open Boy, Rolly Berzins; 14 & under Girl Trudy Hanna and Boy, Bruce Raymond.

Soon the day came to an end and we went to the grindstone of school work, despite our efforts to persuade the teachers that we still hadn't recovered from the Swimming Carnival.

ATHLETIC CARNIVAL

On the High School Oval on Wednesday, October 4th one of the closest inter-faction sports took place. Before the actual events commenced everyone was eyeing everyone else in their gaily coloured outfits (eh Gail). Individuals had all their ribbons etc. on to represent their factions but very little cheering was heard during the day to urge competitors.

After a somewhat tiring day the results were so close that they were re-checked with an adding machine, the eventual winners being Gold Faction. Final points were: Gold, $278\frac{1}{2}$; Blue 274; Green, 254; Red, $234\frac{1}{2}$.

Weather conditions made it very difficult for competitors to reach their best and break or equal records, the result being only three records broken with a further 14 inaugural records established.

Outstanding boy competitor was 14 yr. old Anthony Thompson, who won seven of his age events, broke the existing discus record and set an inaugural record in the 80 metres hurdle event.

Kath Lawler (17) was outstanding in the Open Girls' competition winning six events. She broke the existing Broad Jump record and set records in the 40 yds, and 80 metres hurdles.

Special mention must be made of one of the inaugural events - the Cross Country. Paddy Quartermaine (Blue) dominated the race winning from Quenten Jolley (Gold) and Kerry Thomas (Blue). All boys showed their ability in athletics as they finished this gruelling race.

Age Champions were:

Boys 13 & under: David Leach (Gold) 1; G. Fletcher 2.

Girls 13 & under: Janet Power (Gold) 1; S. Quartermaine 2.

Boys 14 & under: A. Thompson (Gold) 1; M. Packard 2.

Girls 14 & under: J. Hueppauff (Gold) 1; Val Page)
J. Dykstra) 2.

Boys 15 & under: P. Johnson (Blue) 1; P. Quartermaine 2.

Girls 15 & under: K. McIvor (Gold) 1; C. Cheetham 2.

Boys Open: K. Thomas (Blue) 1; J. Macri 2.

Girls Open: K. Lawler (Green) 1; B. Hendrikson, S. Kellow)
M. Dumbriis, T. Parfitt) 2

As in previous years Kobeelya and St. Patricks' girls competed against our girls. In the Junior Girls relay our girls proved to be the stronger combination while in the Senior Girls' Relay, bad baton changing proved to be costly for us. Oh well, we've still got next year! Until then "keep fit".

FOOTBALL NOTES

1967 was only a mediocre year for the K.S.H.S. football team. Many of the players however, will be returning next year and we expect more of a taste of success in 1968.

Our coach this season was Mr. Gibson and the team extends their thanks to him for training them. Throughout the season his fierce mobilized added lots of "punch" to the team. Anyone lacking "intestinal fortitude" was frowned upon and the occasional threat brought the team's determination to a peak, (Remember the threat at C.W. players when we played Eastern Goldfields - we won!) Mr Gibson consistently encouraged members of the team who are below average size, by stressing that size isn't everything and that good things come in small parcels.

The team performed well in the local matches, but had only limited success Country Week. It appears that stronger competition in local matches preceeding C.W. is needed to prepare the team for what it will be up against in Perth.

This season the team learnt most of its faults and next year a much improved side is expected.

Congratulations to all students who obtained sporting awards.

FOOTBALL CRITIQUE

M. Hore: One of the stalwarts of the back line, had a tendency to run through the players instead of around them, showed his best form of the year at Country Week.

M. (Tank) Mosey: Plays as his name suggests, showed great tenacity and courage for a fellow of his size, his main diet - well! He lives at the Federal Hotel!

D. Thornton: An unorthodox type of player who always performed the unexpected. Had the ability to fight to the end and "never say die".

P. Olynk: (Comrad) The quiet boy of the team who always cleared a passage way for a team-mate to follow in. His lack of speed was made up for by his sure judgement and good positioning.

R. Smith: Showed his best form early in the season, particularly against Albany when he turned away many attacking moves to send his team forward. His form at Country Week showed the result of his "nicotine diet".

C. (Donkey) Bahr: Uses his heels to advantage. Showed his best form at Country Week in the last three games and should be an experienced starter for 1968!

D. Rees: The "old man" of the team who guided the younger ones by the example of his courage and determination. His form at C.W. was extremely good and at times he provided opposing teams with a stumbling block.

G. Fewson: Playing in his first season of competitive football Greg adapted himself to the "oblong" ball in great style. Gained himself the reputation of a spirited fighter and at all time provided the opponents with very tough opposition. Another year should see his kicking and ball control improve considerably.

M. Wolfe: One of the "naturals" of the team who was rarely beaten. His kicking and ball handling was a delight to watch.

Q. Jolley: Played some very sound games throughout the season his fighting spirit and determination at all times provided his opponents with constant headaches.

P. Fauser: Showed he had interests other than football at C.W. this tended to be detrimental to his stamina and endurance.

W. Bairstow: A courageous rover who was rarely beaten. Showed great stamina and ability on the ball and was always dangerous near the goals.

G. McAuliffe: A sound mark and good kick, the extra year's experience should be invaluable to him at C.W. next year.

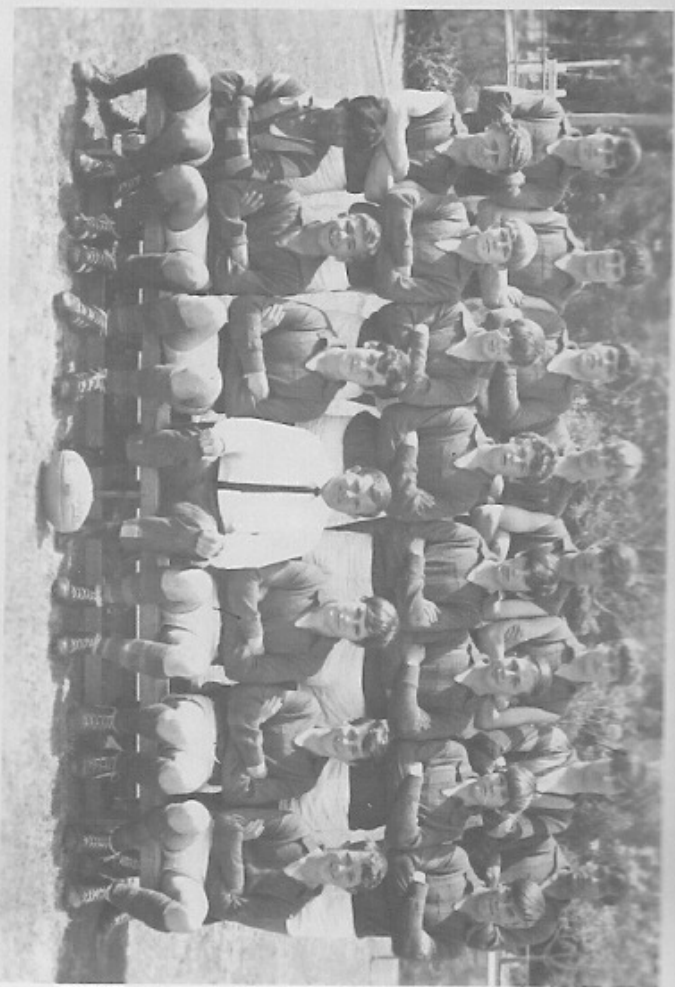

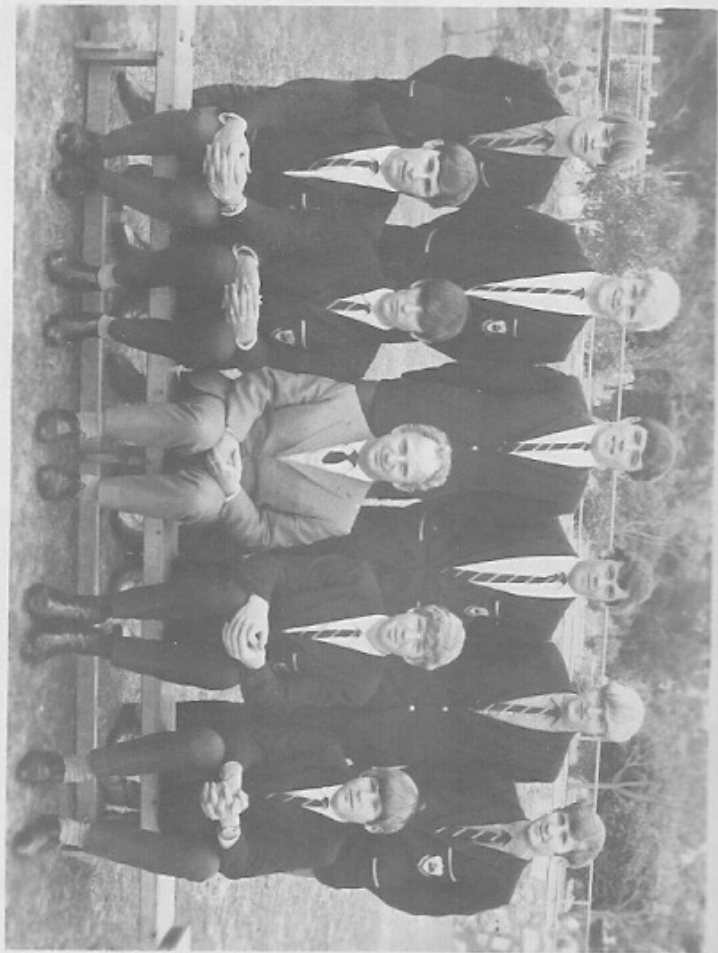

K. Hall: Lacked a little stamina but was a valuable follower on the ball.

G. Francis: "The Gentle Giant" a little more "go" and all the potential will come out with a "bang"!

D. Piesse: Troubled with back injury at C.W. the spirit was there but the body was not willing.

G. Coles: The smallest member of the team, made up for this with his superb skill and ball handling ability; was always a great team man.

Peter Johnson: Had a mediocre season, however the added confidence should place in good stead for next year.

Ian (Mo) Quartermaine: The potential is there Ian - give it a chance to develop by having a little confidence in yourself and allowing it to mature.

Pat Quartermaine: Had a great deal of ability & potential but once he hit the "bright lights" he lacked confidence.

Tony Miller: one of the best footballers in the team, was very skilfull & elusive; should be a great asset next year.

Allan Campbell: A great wet weather footballer who is always in the thick of things. Lacks no courage.

Alan Quartermaine: Has had a great season captaining the Wanderers 'C' Grade team & school team. His ability to lift sides & turn defeats into victories was renowned; his determination was at all times an example to be followed by his team mates.

Mr. Gibson (Coach): very inspiring coach with strong vocal chords which produced instructive & encouraging words.

BOYS' HOCKEY

1967 has eclipsed all previous years in boy's hockey at this school. Once again we have had an 'A' Grade side, and a 'B' Grade team in the association. Our teams were ably coached by Mr. McManus who led the 'A' Grade side. We eventually fought our way to the Grand Final of this division. This turned out to be a tremendous effort by all, and after the score had changed several times, we were finally beaten by Gnowangerup (2-1). Congrats to Mr. McManus on gaining Fairest & Best in this match. Also to Kerry for gaining Fairest & Best over the season.

The 'B' Grade side also rose to a greater height than previously. The team, which was sometimes "scratching" for players, finished third in a closely contested season. Congrats here to Ross Collins who was runner-up, Fairest & Best in this grade over the season.

Our coach has done an magnificent job which was made hard by lack of numbers, and the teams thank him very much for the time he has put in. Also as a player, he was our most reliable always, and one which the team could not afford to be without.

Country Week saw us with a strong team, but our chances were "dashed" by our losing one game.

Results: Kat. (2) drew Goldfields (2)

Kat. (11) def. Merriden (0)

Kat. (1) drew Manjimup (1)

Ngn. (4) def. Katanning (1)

Goldfields were the eventual winners with Katanning coming third.

CRITIQUE:

J. Filmer: A prominent goalscorer with his quick passes.

A reliable forward who should try playing C.F.

K. Heberle: A greatly improved season by Heb who on occasions combined brilliantly with R.W. and many of passes led to the scoring of goals.

T. O'Neill: A most reliable team-man who leaves most opposing Wings without a hit all day. In fine form at C. Week.

M. Chambers: While playing wing gave some terrific passes. Worked well with Charlie and also proved reliable in the backline.

W. Page: "He's got a tiger in his tank". Apart from attending training was most reliable and his efforts in the finals starved opposing players. An award winner.

M. Baxter: "Don't play half the field, Charlie, play all of it". Scored many of the team's goals and supplied much of the speed and size to the forward line.

R. Berzins: Scored more goals than anyone. A terrific season by Rollo, who learned a lot and put it to practice. Had the biggest of opposing forwards really worried.

J. Berger: Has put much fire into his game and turned back many an attack. Keeps the hockey stick industry in business.

G. Sheehan: Five foot nothing and a might of energy. Filled his position well and shows promise as a very speedy and reliable forward.

A. Filmer: Oh! to be able to run in and out of players like this fellow does. Brains beats brawn in Anthony's case and he executes the movement brilliantly.

D. Pollard: An inclusion for C.W. whose speed and forceful hitting proved a great asset. Why play for Tambellup?

G. Justins: Couldn't make Country Week but was a tower of strength in the back line. A first class full back who left a big gap in the team when he left school. A fine season in the association.

K. Thomas: Captained ably - displayed throughout the season that he is definitely an "A" class hockey player (potential State Colts) by winning the Fairest and Best trophy awarded in the association. Congratulations Kerry!

GIRLS HOCKEY NOTES

There was a surplus of defenders in the team this year resulting, at first, in an almost non-existent forward line. However, Roslyn, Cheryl and Coral went to the aid of Pam and Kaye so that by the time Country Week arrived we had five fast fiery forwards. The loss of Pam Quartermaine as centre half back just before Country Week caused near chaos in the team but Cheryl Sullivan saved the day for us. Many a time she drove the team into attack, directing the ball left and right alike.

The defenders are to be congratulated on their efforts throughout the season; particularly Pam, Marie, and Charmian, whose hits penetrated deep in the forward line to Cheryl C., Kaye and Roslyn who were the main goal scorers for the season.

In association games we didn't fare too well but remember - there's always next year. At Country Week we obtained third position in B Grade, winning two games, drawing one and losing one.

Special congratulations must be extended to Cheryl Sullivan, Cheryl Cheetham and Charmian for gaining hon'ar awards as a reward for their tireless (?) efforts throughout the year.

The team joins with me in expressing thanks to Mrs Gibson for devoting her time to training us this year. We all know that she will do just as good a job with next year's hockey team, maybe spurring them to even greater heights.

CRITIQUE

P. Dennis L.F.: A good trier Pam. despite distractions from the sideline. When she's got that ball she can slog it to the other side of the field with no effort at all.

C. Monk L.I.: Played well at full back during the season but was a little lost on the forward line during C.W. A good season Coral. (What was the joke about with Chris?).

R. Hams C.F.: Played consistently (in between giggles, that is) during season and at C.W. Is a girl who could have bright prospects on the hockey field.

C. Cheetham R.I.: A very successful first season Cheryl. A very consistent and tenacious player with a great future ahead of her. Was one of the teams main goalscorers, particularly at C.W.

K. Quartermaine R.W.: Is following her sister's footsteps. One of team's best and most reliable players. A great runner (she's hard to keep up with, eh Cheryl and Charm) and goal scorer.

J. Fletcher L.H.B.: Adapted well to her new position as half-back. Played her part at C.W. but she enjoyed the trip home best (plenty of 'Piesse' eh Jo).

C. Sullivan C.H. B.: A terrific season, Cheryl. Was our star player during C.W. (must have been those five minute rests). A classy city slicker who likes to sit on floors of trains.

C. Jolley (Capt) R.H.B.: Played a very successful season and it was pleasing to see you receive your hockey honours, Congratulations Charmian. (But how are you tractor tyres since you left Country Week).

M. Hegarty L.F.B.: Many times she and Pam were the life-savers of the team. A very successful season Marie. Was a valuable team-mate and fully deserved best player during C.W. (What happened to your hat?).

Y. Wanke: That ball certainly flies when you get behind it Yvonne. Congrats. on being best player on the opening day of C.W.

P. Quartermaine R.F.B.: As usual was one of the teams star players throughout the season, constantly driving the ball up to the forward line. Missed you tremendously at C.W. Pam (you just left TOO early).

C. Bairstow F.B.: They didn't know how to get past this brick wall; and her hits - Wow! Consequently was one of the

teams most stolid defenders at C.W. Unfortunately we didn't have you for association games, Chris. (Oh, by the way, WHAT WAS his name?).

J. Beeck G: Stopped many a would-be disastrous goal. Played well when there were no distractions on the side-line (Narrogin Ag. for instance).

S. Brenton: A very reliable player in emergencies. You wore a good hat and blazer carrier at C.W. Shelley.

BASKETBALL NOTES

The 1967 season opened in April and we had our usual four teams - 2 in 'A' Grade and 2 in 'B' Grade. Red team fought valiantly to reach the Grand Final. However after a thrilling game against Woodanilling we were unfortunately defeated by one goal. It was a terrific game with every girl putting her best into the game. Special congratulations to Helen Gibbs, our goalie, who won the trophy for Fairest and Best for the Grand Final. Never mind we'll have the shield next year!

The other teams weren't successful in reaching the finals. However the experience that the girls gained over the season's games is very helpful and better luck is extended to them for next year.

Congratulations are also extended to Janine Greaves who gained Basketball honours for this year.

This year's team for Country Week consisted of the majority of the A team, plus Helen Parrott and Jessica Treloar. The main reason for going to C.W. is to compete against the other Senior High Schools. We were successful in winning one game out of four. But all the same they were all enjoyable games. Apart from the aspect of playing basketball we also enjoyed ourselves in the social outings - Jessica! The Katanning kids always seemed to enjoy themselves after the sporting fixtures were over. Thanks to Mrs. Koldenhoven for training us for Country Week.

Lastly our thanks are extended to Miss Hams for coaching us this year.

J. Greaves - Goalie: Played consistently throughout the week. Seemed to enjoy Tuesday best of all - what reason eh?

M. McIvor - asst.: When not distracted from one "talking horse" from the sidelines, played her usual good game.

H. Parrott - Goalie: Played well. How did you get all your ties - from the male sex?

P. MacFarlane - attack wing: Played consistently all week. Seemed to spend lot of time with a certain "bobby" from Mt Barker.

K. Lawler - Centre $\frac{1}{2}$: Proved to be a good captain, why the interest interest in the back line of the Manjimup Hockey Team - looks? - or something.

J. Filmer - Defence Wing - Was missed from the team after her accident. Had a riotous time all week, especially enjoyed the train trip home.

J. Treloar - Defence Wing: Played well, especially on Thursday. What happened after the social on Wednesday night Jessica?

H. McHardy - Assistance Defence: As usual our steady defence. Suggested reason - no male distractions.

K. McIvor - Defence: Played well when playing basketball. Forget the rugby rules next year Karen. Seems to have a fancy for throwing water too.

CRICKET NOTES

Cricket commenced in first term with two evenly matched teams competing against one another at sport times. Midway through the term Narrogin arrived to compete against the school in summer sports and that concluded cricket. They tried to no avail however and were defeated by 8 runs. Katanning batted first and scored 47 for the loss of 7 wickets. Top score was Edwin Griffin with 28. Narrogin went on to bat and wickets began to tumble but they recovered and made 39 for the loss of 6 wickets. Bowling honours were with Mervyn Baxter who took 4 wickets for 19 runs.

On a Saturday afternoon late in the term Wagin visited the school and managed to defeat us by an innings and 3 runs. Although not fielding our strongest side we still put up a creditable performance. Wagin won the toss and elected to bat.

They compiled a well earned 125 runs. Katanning then batted but were quickly dismissed for a dismal 56 runs. However the second innings proved the brightest of the day when Edwin Griffin and Kerry Thomas attacked the bowling but time ran out when the score was 4 wickets for 66 runs. Best bowling figures for the day was Ian Coate with 2 for 4 and Clive Bahr with 3 for 9.

CRICKET CRITIQUE

M. Baxter: (Capt.) A very aggressive left hand batsman with a good eye and a strong arm. Right hand bowler.

E. Griffin: (V. Capt.) Attacking right hand batsman a sturdy right arm bowler and a clean fielder.

M. Wolfe: Excellent wicketkeeper and a very stylish left hand batsman. A great future.

R. Aitken: Although still young has makings of a very accomplished cricketer.

C. Bahr: Very good left arm fast bowler. Left hand opening batsman and a good fielder.

D. Rees: With a few more elementary facts to his knowledge could become a very good right hand batsman. Has a good eye and is a reliable fieldsman.

C. Coles: Developing into a good medium pace bowler. Left hand batsman and a very alert fieldsman.

P. Sukiennik: An improving left hand batsman and a keen fieldsman.

I. Coate: An improving fast bowler could develop with practice. Right hand batsman.

A. Filmer: Also very young batter shows plenty of talent and eagerness in fielding and batting.

W. Barrett: A right hand batsman and a consistent fielder.

M.B.

TENNIS NOTES

The 1966-67 tennis season commenced with the singles tournaments at the end of last year. All entrants displayed their best, resulting in plenty of competition. Winners were:-

Open boy - Bert Hams.

Open girl - Suzannah Russell.

Junior boy - Ian Coate.

Junior girl - Terryl Lockyer.

TENNIS NOTES

On the 23rd March '67 Narrogin came over to Katanning to compete in summer sports and Kerry Thomas, Alan Quartermaine, Suzannah Russell and Terryll Lockyer were selected to represent K.S.H.S. in tennis. We managed to win an equal amount of games each. Early in first term our doubles tournaments were held.

These were won by:-

Open boys:- Owen Bushby, and Alan Quartermaine.

Open Girls:- Terryll Lockyer, and Suzannah Russell.

Junior Boys:- Peter Hams and Darryl Pollard.

Junior Girls:- Helen Gibbs and Nola Richardson.

So ended a most successful season of tennis with all players showing very high standard and on the way to improvement.

"Hard Hitting"
4.A.

INTERSCHOOL SUMMER SPORT

Katanning verses Narrogin.

On Thursday the 23rd of March Narrogin summer sporting teams came up to compete against our teams in girls soft-ball, Boys and girls tennis and boys cricket.

Games were under way by 12 o'clock as the Narrogin teams had to get back by 3.30.

Softball turned out to be a very close game with the score being 22-18 in favour of Katanning.

Cricket was 48 to 37 runs in favour of Katanning.

Tennis Katanning lost both mixed doubles and lost singles and won 3 singles making the games drawn.

The Narrogin teams were provided with afternoon tea which was appreciated by both teams.

ALBANY VISIT

The Katanning sport teams were eager!!! to welcome their

rivals, Albany as the bus came to a halt at the front of the School. However once the bus stopped all seemed to go quiet and no one seemed to make a move, everyone seemed too shy !!! from both schools.

Albany did eventually leave the bus and teams set off to show their respective abilities. The games were played at different times so that the school could watch the game or in some cases attract certain people from the other school.

The weather did not prove to be very good to play sport in.

On the basketball court, the girls received their usual trouncing by a much bigger, physically built team, the final score being 30-10. These games however do help to improve our stamina and they prove to be great experience for us. Best players for Katanning were Kath Lawler, who was in her usual dashing form and our most reliable attack wing Pat Macfarlane.

In the girls hockey an even tussle developed with Albany proving the stronger on the day. Cheryl Cheetham and Cheryl Sullivan were Katanning's best players.

On the football field Katanning put up a very creditable performance against Albany for the first half but in the 3rd quarter the Katanning team relaxed slightly and this proved costly when Albany scored several goals. Had it not been for the high flying full back, Albany would have gone further ahead. Ray's continuous high marking and long clearing kicks earned him fairest and best player for Katanning, Alan Quartermaine contributed more than his fair share at centre-half forward and at centre half-back.

Each goal kicked by Albany was hard earned due to the consistent pressure applied by the Katanning backmen. After a very inspiring talk from our coach at $\frac{3}{4}$ time, Katanning contributed a very good last quarter of football by kicking two goals to Albany's one. Special mention must go to Pat Quartermaine, Tony Miller and Warren Bairstow who were very determined players throughout the match.

However, Albany proved to be a slightly faster and superior team and they defeated Katanning 9-16 points to 4-7 points, but there is always next year.

In the hockey, after a hard, well fought game, Katanning was defeated 6 goals to 1. The Katanning forwards found great difficulty in finding the one and most important opening, the goals.

At the finish of the games, afternoon tea was served in Room 11 for the visitors. With mouths full speeches were made by the two school captains, both congratulating each on their performance.

When it was finally time to go the boys filled their pockets and left for the bus. At the bus there was a riot (how about the apples !! kids) before the Albany teachers came to end what had been a successful inter-school competition. All K.S.H.S. is looking forward to the return trip next year.

4A.

KOJONUP VISIT

During the last week of second term the lower school had the opportunity of visiting Kojonup to compete against each other in Winter sports.

The results were as follows:

Basketball 36-18 in favour of Katanning.

Girls hockey 3-2 in favour of Kojonup.

Boy's hockey 3-0 in favour of Kojonup.

Boys football 7-6 to 3-4 in favour of Katanning.

After a much enjoyable day our teams were provided with afternoon tea which was greatly appreciated.

M.D. 4A.

STAFF VERSUS STUDENTS- BASKETBALL MATCHES

During one lunchtime in second term members from the staff dared to challenge the students. The most interesting game was the one in which the male staff challenged the boys. One thing to note was that the boys were well suited to the tunics they were wearing - must have been the long hair. One thing to be said for both teams is that before they play next year it is advised that they learn the rules. The umpire - Mrs Koldenhoven - had a hard job trying to make the opponents realize that goal post were not to be moved when the opposite team is shooting for goal. It is to be noted that this mainly applied to the staf team. It was a fabulous game to watch. The boys proved to be the best and they won the game. The scores were more like hockey scores than basketball scores being 3-2 in favour of the students.

After the fine display of rugby rules basketball the country week basketball team versed some notorious members of the female staff. We could see by the look of them that the majority of them were unfit and scared (with the exception of Mrs Koldenhoven who kept their morale up) so we allowed our goalies to miss a few.

Naturally we defeated them but what more could you expect when half of the staff didn't play basketball. Rules were broken by both teams but the staff broke more rules than we did.

Even though the umpires were students they weren't biased towards us, but naturally they had to pull the staff up for breaking the rules.

All in all it was a very enjoyable game and better luck is extended to the staff for next year. Mind you, they wouldn't be able to beat the agile students even if they played Rugby rules.

An unbiased Student.

THE TEN SCHOOL COMMANDMENTS

1. Thou shalt not copy thy neighbours homework - let him do it for you.
2. Thou shalt not peek on thy neighbour's test paper - let him pass it to you.
3. Thy shalt not skip a class - take the whole day off.
- 4.. Thou shalt not drive thy teacher to the grave - let the undertaker do it.
5. Thou shalt not drop papers in quadrangle - save them to litter the classroom.
6. Thou shalt not smirk in class - sniggering is better.
7. Thou shalt not crowd in the Library - push the others out of the way.
8. Thou shalt not whisper in class - shouting gets more attention.
9. Thou shalt not run to the canteen - sneak out of school before time.
10. Thou shalt not blame me for this - I only copied it.

VERANDAH VARIATIONS

Gary's a great 'Shell' collector,
Ed's got a duck out of season,
Janine is just all George'ous,
Dianne flips another Page in her life,
Joe's put salt on his Boy'ds tail,
Jo like a lot of 'Piesse and quiet',
Pete can't stop Kare'en about her,
Terry thinks he's just O-Kay,
Yvonne's a 'Nosey' sort of character,
Kerry's taking things Jen-tle,
Blakey has quite the Rae-ge,
Lois is just an old Croni.

B-A-AZIL.

1st Prize Winner - Prose

DROUGHT.

by K. Illingworth.

It was so still and quiet, you could almost 'hear' the silence as a shrieking acclamation of what was, and had been taking place for so long. No movement could be detected. The gums were motionless, their limbs seeming to sag in utter dejection under the oppressive heat.

A small, uncertain track winded its way across the dry river bed, but the small artist had long ago sought shelter from the harsh glare which drank greedily any dampness available to its scorching aridity.

The sky was like a painting done by a child who paints what he sees and not what learning instructs. The sun - a brilliant yellow dob, radiating from the corner of a defined dome. The sky was high and of one colour. It made no attempt to meet the earth in cordial agreement, for it was continuously from the parched earth. Even the crows had ceased their morbid proclamation of death - it was no longer news.

The stench of decaying flesh was the only remaining indication of our cattle herd which had been developed over so many years. Could anyone here be a man, in the eyes of Kipling? He wrote -

"If you can bear to hear truth you 've spoken,
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn out tools....
Yours is the Earth and everything in it
And - which is more you'll be a man, my son."

1st Prize Winner - Poetry.

DAWNING.

by K. Illingworth.

In the deep hush of the dawning summer day
The shadows of uncertainty are comforted by the sun's first
ray,

Releasing the tormented mind of concern
Into a world where hope has returned,
Escaped are they from the fears of night
Which appear non-existent in day's first light.

Their minds in awe slowly resolve
To think their problems they can solve,
They seemed unsurmountable yesterday
But now, to them, no attention need pay.
They have fled before the dazzling light
They will return with the gathering darkness of night.

* * * * *

To Mr. Samuels -

The more we study, the more we know
The more we know, the more we forget
The more we forget, the less we know
The less we know, the less we forget
The less we forget, the more we know
So why study?

C.C. Book III.

THE PRICE OF WAR.

The bomb exploded among the troops
The wave of panic swept thru' the new recruits
The shattering blast took its toll
The mission was betrayed by a traitor's scroll.

Death, terror and disaster are brought by wars
Distorted bodies, stiffened hands - like eagles' claws.
Disease, hunger and pain are to be felt
Gaping wounds held tight by a soldier's belt.

There is no humanity in this bloody bath
To walk alone down a jungle path
To take a weapon and a water flask
It must take guts to do such a task.

Intense bedlam of a raging battle
Is not to be compared with incessant prattle
Increasing deaths are recorded each day
As those who fight are the ones to pay.

But some will live and some must die
Between us both, we and our ally
Barren lands and burned trees leave to the enemy
For we have said he must pay for his felony.

K. Heberle. 5A

AWAKENING.

Little riverlets of the timeless sea came swiftly in
Making memories of past joys grow dim
What message to man was it conveying
- to me, what was it saying?
Its image was vague, my mind would not grasp
The ocean of life, it was so vast.

My mind stirred, and began to vibrate
its restricting walls it attempted to break
It was living, and yet it was break
and that is what the ocean said.

Time was moving, never still, moving on in rippled bands
then shocked I saw, like the sea, was being absorbed
by the sands.

The harsh course sands of love of self and joy of material
things.

I was wasting my time on that thing of value which only brings
cold empty joy, and could never, even at its best
bring comforting warmth as I went to rest

My time was short, I realised then

- and what had I given to other men?

I've never had my hand shaken in gratitude to the extent
That I thought my heart would be jolted if they did not relent
No one had ever cried with joy for me
as the sky has cried upon the sea.

For I have done nothing! Nothing at all!

My life is like a white washed wall.

My mind is rotted and half decayed,
through lack of use and being afraid
to be a bit different and do something else
for the benefit of other than myself.

It has lost the art of self denial to make a gift
which will cause in a lonely heart, some hope to lift.

And then with a brilliance that astounded
the sun arose and I was surrounded

By a dazzling light from the sea reflected
holding the joys of serving men, which I had rejected.

The timeless sea lapped at the beach

As I excitedly beheld the joys within my reach

But not the cold empty joy, which couldn't at its best
bring comforting warmth when I went to rest

But the joy which I fully realized then
would come by giving and serving other men.

WHAT HAPPENED TO THE GOOD OL' DAYS?

In the good ol' days there was always some great crises when men were men, and faced death with a cold eye.

The husband, the provider, would step to the door of the cabin, wave his wife and children back to the security of the fireside, stride forth to deal with the whooping Indians.

It was the moment of truth! Pure to the heart, keen to the eye, he would raise his single shot Winchester to his shoulder, and without reloading blast 73 Indians to pieces. Then he'd scratch his armpit, lean his trusty weapon against the door and amble back into the cabin, the centre of admiration with his wife and children.

They're always used to be something a guy could rescue while his girl-friend watched.

Yes, my friend, in these civilized days, it is hard for a man to find a heroic deed that needs doing.

A. Thomson. 2A-1

A FROST COMES AND GOES.

To the hills and up - into the valley and down,
In from the moor comes the mist swirling around and round.
The windows are closed. The shutters are down,
The hand of silence has struck the town
And out in the fields the frosts are forming,
The dreaded frosts of the winter morning
And far to the east begins a glow
The sun's first light is beginning to show
The sun's heat will melt that ice
And after all, the day will be all right.

Peter Hams. 2A-2

THE BATTLE OF AGINCOURT.

Henry V rode through the lines,
Braving his men with manly signs,
His men took heart at Henry's figure
And made their work with all their vigour.

Arrows were in many hearts,
piercing skins like enormous darts,
A man of France was seen to run
And he might have the battle won.

In the English line his "plight" was seen
"The coward", said Henry, looking at the scene,
But the wily look on the Frenchman's face
Showed clearly that he aimed to save his race.

The Frenchman ran as fast he could,
He'd kill the king, oh yes, he would;
But the knights of the English saw his plan,
And so he was killed, that desperate man.

On both sides men were lost, but
On the French, much higher the cost.
At last, on that day the French saw defeat
And the English took pride in this great feat.

by P. Sukiennik. 3A-2.

THE HAND

The hand is a fascinating thing
With all its tales of that to come,
With all its mysteries of fame and sorrow
In the wilderness beyond.

The hand that bears the scares of toil and strife,
That toiled until dripping with blood to make
this country bear a name,
The hand that tells the person's life
Through the long years of the past
Is lying - still and stiff, never to toil again.

Rosalene Heberle 2A-1

WRONG ORDER

When they gave out brains, I thought they said
trains - missed mine,
When they gave out looks, I thought they said
books - and didn't wany any,
When they gave out noses, I thought they said
roses - and ordered a nice big red one,
When they gave out ears, I thought they said
beers - and requested two long ones,
When they gave out legs, I thought they said
kegs - and said, "two round, fat ones",
When they gave out chins, I thought they said
gins - and ordered a double one,
Brother, am I in a mess!

P. Suk[†]ennik.

The STUDENT'S ALPHABET.

A is for asylum, rather like school
B is for beret, never worn at all,
C is for classrooms, so much like cells
D is for downtrodden, students rebel!
E is for experience, they seem to know
F is for faults, give us a go!
G is for gallows, exams are so near,
H is for hallucinations - drug addicts we fear,
I is for innocent, they don't think we are,
J is for juvenile, a few delinquents so far,
K is for knowledge, not from this school,
L is for library, who cares about rules?
M is for mediaval - our teachers maybe,
N is for never, work's not for me,
O is for old fashioned, uniforms for a start,
P is for principal, he sometimes takes part,
Q is for quad, where we always drop litter,
R is for refuse - or perhaps we had better,
S is for sport, wagged in room A,
T is for thinking, please, not today!
U is for uproar, 4A's the class,
V is for victim, a teacher at last?
W is for weapons, used against our tactics,
X is for symbol, used in mathematics,
Y is for youth, over 60 never,
Z have a guess - I'm not that clever.

* * * * *

THOUGHTS

My thoughts make me drift far away
To the green grass plains, to the deep blue sea,
Many, many miles away
To the distant lands and seas.
To the green hills of Scotland,
To the hot desert of Arabia,
To the ice and snow of the German winter.
...but my thoughts always stop at the front
of the Candy Shop.

M. Estbergs.

S O C I A L

The Dances.

Hurrah and many congrats, to the 1967 Prefects, you've attained an honour which has not been worthy of mention for a long time - the honour of giving tremendous pleasure to the students at a school dance. It is the general opinion of all of us - that the dances have been absolutely colossal and tremendous fun!!!!

The swimming dance was fantastic. I don't know how the other kids felt, but we went along feeling "washed out". The "orchestra" was of renown at local shin digs, dances etc. However, after hours of positively ecstatic music, eager anticipation for the next dance replaced any apprehension or disgust and boredom generally reserved for "school socials".

Perhaps other people's views differ from ours, but they speak from years experience with such affairs. Most of us know that the majority of the staff consider the socials to be ill-organised corroborees (by their expressions on their faces). But we are only following modern trends. Everyone's entitled to a bit of fun sometimes. (The waltz and the fox Trot are rather "groovy".)

Some observant people noticed the invasion of the "outside world" - (Primary School Teachers). That was when the show was really swinging in the latter part of the night.

The kids receive a big thrill when their teachers "stagger" in "blurry - eyed", half way through the night, to allow us to pass approval on their "social acquaintances of the town".

Most noticable at the socials is the array of "with-it" trends of fashion worn by many. It is most amusing to see and hear the boy's impressed expressions and remarks which occur at the entrance of the "equisite ladies" of the school. But this generally becomes accepted as the "romantic" music enraptures the loving couples.

In conclusion, I'd like to once again say to the Prefects, "Well done," for they have given us the type of dances we want and appreciate.

I'm sure also that the support given to the Prefects by the staff was greatly appreciated by them and it was very pleasing to see so many of that "Select Cult" attend the socials.

Anyway, special gratitude from us to "that cult" who have allowed the socials to take such contemporary forms. The school salutes their courage in attending all such socials.

* * * * *

SCHOOL BALL

On August 17th our 5th Annual School Ball was held. The School Ball is one of great repute in the formal occasions of Katanning District. (definitely!)

Much excitement was aroused among many within the school, when the selling of ball tickets were announced.

The girls of course being eager for partners started flashing eyes and fluttering eyelids at the boys, who not to be discouraged, winked back!

Music for the night was provided by "the Remnants" - familiar to a few of us. Entering the hall it was pleasing to see nervous first years, apprehensive second years, over anxious third years, sophisticated fourth years (that's us) and superior fifth years (so they think!)

Girls all dressed to kill, boys not to be forgotten in their bow ties.

A highlight for the night was a demonstration of ball room dancing by Mr & Mrs. Smargiassi and Mr. Mrs. de Kerloy.

Decorations were arranged and erected by the Amorous fourth and fifth years and the designs were ideas from many of the talented minds of students of the art classes. Many thanks to Kerry and Jenny for their assistance in this respect.

Our photographer did a wonderful job again this year, his efforts have proved most rewarding something for us to look back on.

After much strenuous dancing (!) etc, supper was welcomed by most. Thanks to the P & C ladies for the delicious array of food.

May our school balls and many more to come be as successful as the last proved to be.

On Looker 4A

CHOIR NOTES

This year the choir consisted of two groups, third years (Junior) and fourth & fifth years (Senior). Thus once again we were able to enter two choirs at the Wagin Music Festival, which was held on June 27th.

Songs sung by the Junior Choir were "The Birds in Spring" and "Autumn Evensong". They were placed 2nd in this section.

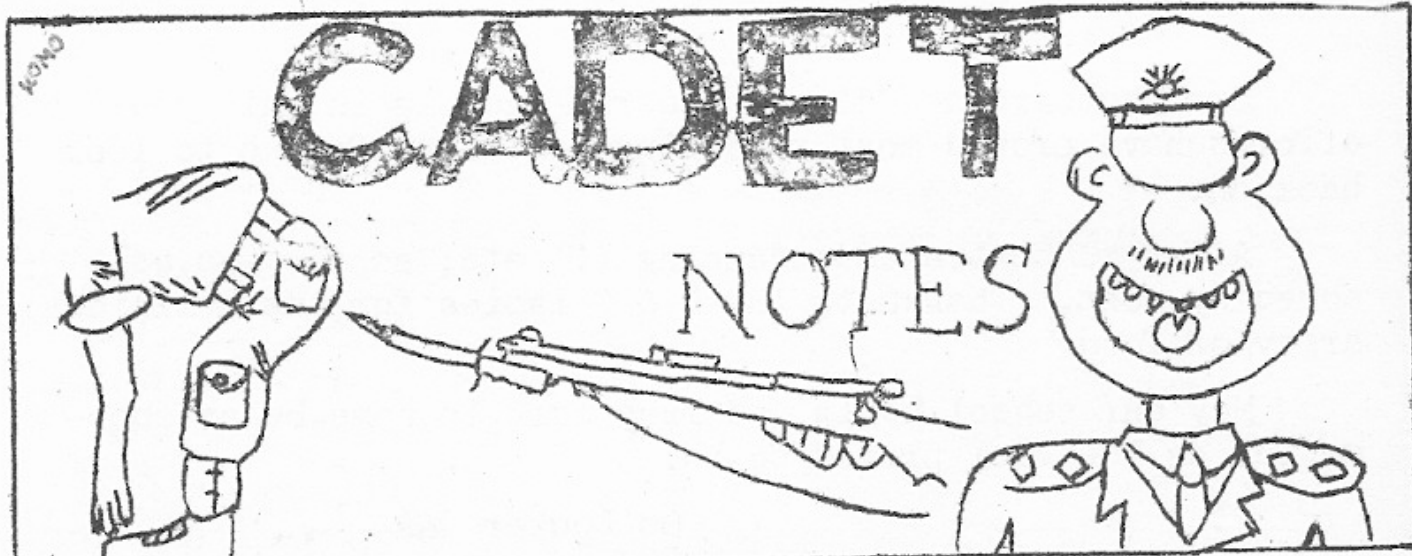

The senior choir singing "Solveigs Song", and "Singing Lark" who were also placed 2nd. Boys choir in in the school for the first time - won their section at Wagin Festival. The work of both our choirs was co-ordinated by Mrs. Beeck, many thanks go to her time and efforts.

Earlier on in the year the choir redeemed "Song of Aust" and the "National Anthem", at the Anzac Service held April 24th in the school grounds in the presence of some distinguished citizens of Katanning.

Apart from these two important functions, the choir has not performed any more singing. Our Friday afternoon periods arouse much interest of the by-passers when we commence our singing, or it might even be these records beating out the noise.

The girls choir are comprised of a talented group, (!) but a couple of identities within them are Jenny and Judy. Thanks are extended for their piano playing assistance when ever needed. Jenny also did very well at the music festival in her sections congratulations to you Jenn, Well Done! Mrs. Beeck would like to extend her appreciation to the girls who participated in the choirs this year and hopes you will all co-operate again next year.

"Keep Singing" 4A.

CADETS.

Cadets for '67 kicked off to a good start with eighty nine recruits. O.C. in charge was Lt. Polglase assisted by Lt. Wishart. A select group of cadets attended the January Military C Camps and were all successful in gaining rank. In charge of the "greenhorns" were C.U.O. Thomas, Sgt. Berger, Cpl Francis, Cpl Haylett, Cpl Mosey, L/Cpl Page, L/Cpl O'Neil of One Platoon. C.U.O. Rees, Sgt Quartermaine, Sgt Blake, Cpl Wanke, Cpl Estbergs, L/Cpl Blake and Collins of Two Platoon. In charge of parades was the raw C.S.M. K. Heberle and in the Q-Store was C.Q.M.S. (Charlie) Fauser.

School Parades were of a high standard, dress was neat and clean (with some exceptions, right Komo?). The Anzac Service Parade went off well. (I don't think the Choir girls liked all the yelling from C.S.M. & C.U.O.).

Camp soon came around. Lt. Polglase was unable to attend and we were therefore placed at the mercy of Lt. Wishart. At this point I must thank, on behalf of all the Cadets attending the camp, Lt Wishart for all his cooperation, and also to a new aquaintant, Lt. Mumforti from the W.A. University Regiment. Much fun was had, especially on the Lantern Stalk (what with flare, cabbage patches and truck drivers).

The killers of the camp were the 5.40 getting up time and Tuesday morning drill. When came the time for Brigade Parade poor old Lofty must have used all his patience in us. (Those left forms on the march).

When the time came for the Earl Roberts trophy shoot came C.U.O.'s Thomas and Rees, C.Q.M.S. Fauser Sgt. Berger and C.S.M. Heberle (non shooting captain) made their way to the range. High scores were not the order of the day.

Disappointment came when it was announced no bivouac (something about first year cadets can't sleep out). Camp ended both the final march out, at which we nearly didn't participate, late as usual. Poor Gary got it from Lofty. Incidentally what happened to C.U.O. Thomas and Cpl. Wanke I'd like to know? Well lads?

Third term opened with the rifle team attending Swanbourne. Once more, score low, (wind too strong). Those in the team were, C.U.O. Rees, C.Q.M.S. Fauser, Sgt. Berger, Cpl. Mosey, Francis and Sgt. Blake Cpl Wanke.

On the whole this has been quite a successful (!!!) year and is to be hoped the Unit will go onto greater things in the future.

C.S.M. Heberle.
